### AGENDA

1. Opening of the webinar

2. Introduction to the stocktaking exercise

3. How to submit inputs in the stocktaking survey

- What is the survey about?
- Why should your organisation complete this stocktake survey?
- Who is the right person to complete the survey?
- What to prepare before starting the survey?
- What do we mean by an ACTION/ACTIVITY to reduce marine litter and microplastics?
- What to do if there were multiple partners involved in an action/you are concerned about double counting the same action?

4. Demo of the stocktaking survey

5. Outcomes of the stocktaking survey

- What happens to the data after the survey?

6. Questions
